Choose a Mask and Wear It Well, so Your True Identity No One Can Tell...

And indeed they did! More than 460 community members, corporate and foundational sponsors, individual donors, and volunteers were decked out in Venetian masks, tuxedos and ball gowns for our annual black-tie event that raised more than \$480,000. Highlights included a cello performance by Leslie Meléndez, one of our clients (see story below). Pastor Ken Brown from Broomfield United Methodist Church gave an inspiring invocation, and Master of Ceremonies, TaRhonda Thomas, 9News Anchor kept the program on pace. A heartfelt

program ensued with testimonials from one of A Precious Child's clients; and Advisory Board Member, Catherine Davis. The event also included a live auction. Among several items auctioned off was an oil painting created by flourishing artist and A Precious Child giveARTS scholarship recipient, Vanessa De Loa, that fetched **\$30,000** and will go a long way in helping other children in need. We are extremely grateful to all of our sponsors, most notably our Presenting sponsor, [Checkers Safety Group](#) and VIP Sponsor, [Kirsty Martinez of Keller Williams Preferred Realty](#) among many others [Sponsors](#).

Great Balls of Fire Reigns Triumphant

Congratulations to North Metro Fire Rescue District's "Great Balls of Fire" teams who won this year's Bowl 4 A Precious Child tournament. 108 bowlers from both North Metro Fire Rescue and the Broomfield Police Department, and more than 40 spectators enjoyed a day of bowling, a lot of laughs with emcee, Paul Derda on March 12. More than \$7,500 was raised through participation fees, lane sponsors, and a raffle. Thank you to all of our gracious [Sponsors](#).

Youth Advisory Board - They Did It!

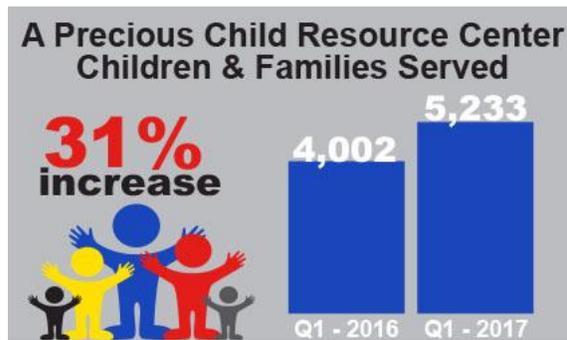

Proud of our Youth Advisory Board members who raised \$10,208 in monetary, in-kind, and birthday supply donations! Their event featured a showing of the movie Logan. 240 guests turned out at Orchard Town Cinema on March 5. Thank you to all of our generous [Sponsors](#).

Stories of Hope - giveARTS Provides Aspiring Cellist with Scholarship

A Precious Child's giveARTS program provides new and gently-used equipment and supplies, as well as participation fee scholarships, giving children in need the opportunity to participate in music, dance, theatre and the visual arts. Ten-year-old Leslie aspires to be a world class cellist, but coming from a family of five with extremely limited resources made it difficult for her family to provide Leslie with all of the things she needs to pursue her goal. Nonetheless, Leslie has persevered, she's been a committed student of El Sistema Colorado's intensive after school program for two years. As one of our Agency Partners, it was El Sistema that contacted us about Leslie's desire to attend the prestigious Rocky Ridge Music Center for an intensive two week Junior Music Program, to ensure she was prepared for attending the Denver School of the Arts last fall. She was awarded a giveARTS scholarship by A Precious Child to attend. Leslie, pictured here, proudly performed at our Gala VIP Reception.

Number of Children & Families Served Increases From 2016

With the January roll-out of our new Penelope case management software, tracking clients served and improving on our processes is now more streamlined. This was a considerable investment in our infrastructure and will enable us to provide a more seamless shopping experience - all thanks to the Salah Foundation.

You can tell by the numbers that we've definitely seen an increase in children and families served.
