Governing Board A Precious Child, Inc.

We have audited the accompanying financial statements of A Precious Child, Inc., which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expense and cash flows for the years then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of A Precious Child, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to financial statements

Note A - Description of business and summary of significant accounting policies

A Precious Child, Inc. (the "Organization") is a 501(c)(3) nonprofit organization established in 2008 with the mission to make a positive impact in the lives of disadvantaged and displaced children and families by improving their quality of life. The Organization focuses on meeting a child's most basic needs such as clothing, shoes, coats, sports equipment, backpacks and school supplies. The organization serves clients from Adams, Arapahoe, Broomfield, Boulder, Douglas, Jefferson, Denver and Weld counties.

Description of services provided

The major program services and functional activities directly provided by the Organization are:

Program services

<u>Precious Essentials</u>: Provides clothing and other basic essentials to children and adults in a dignified manner to increase self-esteem for impoverished children and their families.

<u>Precious Boutiques</u>: Satellite resource centers that are located in schools and shelters and dedicated to improving accessibility to basic essentials on-site for children in need.

<u>Basics 4 Babies</u>: Provides direct aid to mothers and families who might otherwise ration or go without basic necessities for their babies.

giveSPORTS: Provides new and gently-used sports equipment as well as participation fee scholarships so all children have the opportunity to participate in sports.

<u>The Learning Center</u>: Ensures that every child who comes to the Resource Center is provided with a safe space that encourages STEM-based learning and compliments their academic studies.

<u>Truancy Intervention</u>: Provides incentive awards to students who have improved attendance in school as an early intervention initiative and a way to combat truancy.

<u>Fill A Backpack</u>: Provides backpacks filled with age-appropriate school supplies to maximize academic potential for disadvantaged and displaced children.

<u>Precious Gift</u>: Provides gifts to children who otherwise would not receive any during monumental times in their life such as birthdays and the holiday seasons.

Supporting services

<u>Fundraising</u>, management and general – includes those activities necessary for planning, coordination and overall direction of the Organization, financial administration, general board activities and other related activities indispensable to the Organization's corporate existence.

December 31, 2014 and 2013

Note A - Description of business and summary of significant accounting policies (continued)

Basis of presentation

The accompanying financial statements include all the accounts of the Organization. The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions. Such estimates and assumptions affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ significantly from those estimates.

Cash and cash equivalents

The Organization maintains its deposits in multiple financial institutions, which, at times may exceed the federally insured limits.

Investments

Investments are carried at fair value. Investments in mutual funds are reported at quoted market prices. Realized and unrealized gains and losses, interest and dividends are reflected as investment income in the statements of activity.

Inventories

Inventories are stated at the lower of cost or market value, with market value derived from published independent sector rates in accordance with the Internal Revenue Service's Publication 561, *Determining the Value of Donated Property*. Inventories include items such as clothes, shoes, coats, sports equipment, backpacks and school supplies.

Pledges receivable

Unconditional promises to give the Organization cash in the future are recorded when the pledges are made by the donor. An allowance for uncollectible pledges is provided based on specific circumstances. As of December 31, 2014 there were outstanding pledges totaling \$6,200, all of which were deemed to be collectible. As of December 31, 2013 there were outstanding pledges totaling \$2,315.

Fixed assets

Fixed assets are recorded at cost for purchased assets and estimated value, at date of receipt, for donated property. Any asset purchased for more than \$1,000 that has a life expectancy of more than one year is capitalized and depreciated using the straight-line method over the estimated useful life of the asset.

December 31, 2014 and 2013

Note A - Description of business and summary of significant accounting policies (continued)

Revenue recognition

The Organization recognizes revenues at fair value from contributed support when services are performed or donations are received. The Organization recognizes in-kind contribution revenue for donated services that create or enhance a non-financial asset or require and are provided by volunteers with specialized skills that would typically be purchased. Fair value is derived from published independent sector research which calculates the average value for Colorado volunteer hours, limited to the fair value of the enhanced asset, if applicable.

Grants

The Organization recognizes revenue from grants when the grant is received. During the years ended December 31, 2014 and 2013, grants were received from local governmental agencies and private foundations to fund the program services offered by the Organization.

Special events

The Organization holds special events such as a golf tournament, a bowling tournament and a luncheon throughout the year as fundraising events for the Organization. The gross revenues and expenses, including direct benefits to donors, from these events are presented in the statement of activities, and revenues are recognized when the donations are received.

Unrestricted net assets including Board designated funds

The unrestricted net assets are comprised of an operating fund of \$835,821 and a Board-designated reserve fund of \$30,819 at December 31, 2014. The reserve fund was started during 2014 to provide for emergency funds to cover the Organization's operating expenses. As of December 31, 2013 all unrestricted net assets were in the operating fund.

Temporarily and permanently restricted contributions

Donor restricted contributions, whose restrictions are satisfied in the same year, are reported as unrestricted contributions rather than temporarily restricted. Donor restricted contributions, whose restrictions are not currently met, are reflected as an increase in temporarily restricted net assets. Donor contributions with permanent restrictions which require the principal to be maintained as a permanent endowment are reflected as an increase in permanently restricted net assets. The Organization received \$5,000 in temporarily restricted contributions for the year ended December 31, 2014, of which restrictions had not been met during the year which are available primarily for giveSPORTS Scholarships. The Organization received \$36,667 in temporarily restricted contributions for the year ended December 31, 2013 for The Learning Center, of which restrictions were not met during 2013 but were released during 2014. The Organization received \$12,075 in permanently restricted contributions for the year ended December 31, 2013. The use of investment income on permanently restricted net assets is not restricted.

In-kind donations

Contributions of property, materials and personal services are known as gifts-in-kind and are recorded at estimated fair value as of the date of receipt. These donations (other than contributions of fixed assets) are included as program expenses to properly reflect the cost of the particular program.

December 31, 2014 and 2013

Note A - Description of business and summary of significant accounting policies (continued)

Related party donations

Related party contributions for the years ended December 31, 2014 and 2013 amounted to \$97,295 and \$150,211, respectively, which was received in the form of cash and executive director services. These contributions were received from members of the Board of Directors and employees of the Organization.

Functional allocation of expenses

The costs of providing the various programs and other activities are summarized on a functional basis in the statements of functional expense. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income taxes

The Organization is operated as a nonprofit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Organization had no unrelated business income tax for the years ended December 31, 2014 and 2013. The Organization recognizes tax liabilities when, despite the Organization's belief that its tax return positions are supportable, the Organization believes that certain positions may not be fully sustained upon review by tax authorities. Benefits from tax positions are measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement. The Organization has concluded there is no tax liability or benefit required to be recorded as of December 31, 2014 or 2013. The Organization is no longer subject to Federal and State income tax examinations by taxing authorities for years prior to 2011.

Note B - Investments and fair value measurements

Generally accepted accounting principles require the Organization to use a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1

Unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2

Prices determined using significant other observable inputs. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

December 31, 2014 and 2013

Note B - Investments and fair value measurements (continued)

Level 2 (continued)

 Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Prices determined using significant unobservable inputs.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value as of December 31, 2014:

				As of Decem	ber 31	, 2014		
	Fa	Fair value		ted prices in e markets for ntical assets (Level 1)	obser	ificant other vable inputs Level 2)	Significant unobservable inputs (Level 3)	
Investments: Domestic equity mutual funds	\$	12,942	\$	12,942	\$	-	\$	-

				As of Decem	ber 31,	2013		
	F	air value	active iden	ed prices in markets for tical assets Level 1)	observ	ficant other vable inputs Level 2)	un	Significant observable inputs (Level 3)
Investments: Domestic equity mutual funds	\$	11.890	\$	11.890	\$	_	\$	

Note C - Endowment funds

The Organization's endowment consists of an individual fund established to help build for the future of the Organization. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

December 31, 2014 and 2013

Note C - Endowment funds (continued)

The State of Colorado adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, and (b) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

Endowment net asset composition by type of fund is as follows:

		As of December 31, 2014							
	Unr	estricted		Temporarily restricted	F	Permanently restricted		Total	
Contribution Reclassification of unrealized gain	\$	- 867	\$	-	\$	12,075 -	\$	12,075 867	
5	\$	867	\$	-	\$	12,075	\$	12,942	

		As of December 31, 2013								
	Unr	estricted		Temporarily restricted		ermanently restricted		Total		
Contribution Reclassification of unrealized loss	\$	- (185)	\$	- -	\$	12,075 -	\$	12,075 (185)		
	\$	(185)	\$	-	\$	12,075	\$	11,890		

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

December 31, 2014 and 2013

Note C - Endowment funds (continued)

Endowment assets are comprised of assets of donor-restricted funds that the Organization must hold in perpetuity. The Organization has adopted an investment policy where endowment assets are invested in a manner that is intended to produce maximum results while assuming a moderate level of investment risk.

Note D - Commitments and contingencies

Operating lease

The Organization leases office space under various operating leases. Future minimum payments under these noncancelable leases are as follows:

	As of December 31, 201				
Year ending December 31, 2015 2016	\$	104,832 104,832			
	\$	209,664			

Rent expense for the years ended December 31, 2014 and 2013 was \$94,679 and \$79,136, respectively. In-kind contributions and related in-kind facility expense of \$47,760 and \$61,690 have been recorded for the years ended December 31, 2014 and 2013, respectively, to recognize a discount given to the Organization for this office space.

Note E - Subsequent events

Management performed an evaluation of the Organization's activity through August 28, 2015, the date the financial statements were available to be issued. Management was not aware of any subsequent events which would require recognition or disclosure in the financial statements.
