THE NEED AND IMPACT
Last year, A Precious Child was able to successfully provide backpacks and grade appropriate school supplies to more than 20,000 children across eight-county service areas which include Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, Jefferson and Weld counties.

This year, the Fill A Backpack program aims to serve more than 20,000 children with backpacks and school supplies again and A Precious Child needs your help to achieve this goal!

BECAUSE OF THE FILL A BACKPACK PROGRAM...
- 92% of recipients are more excited to go back to school.
- 95% of caregivers report that their children feel more confident in their ability to succeed in school.
- 93% of caregivers report that their child is more interested in learning.
- 80% of caregivers report that their children have better relationships with their peers.

By providing kids with the necessary supplies to participate in school, together we can inspire a genuine enthusiasm to learn!
