Independent Auditor's Report

Board of Directors A Precious Child, Inc. Broomfield, Colorado

We have audited the accompanying financial statements of the A Precious Child, Inc. (the "Organization"), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis for Qualified Opinion

We were not engaged as auditors of the Organization until after December 31, 2018, and, therefore, did not observe the counting of physical inventories for the year then ended. We were unable to satisfy ourselves by other auditing procedures concerning the inventory held at December 31, 2018, which is stated in the balance sheet at \$2,563,184. As a result of this matter, we were unable to determine whether any adjustments might have been found necessary in respect of recorded or unrecorded inventories, and the related elements making up the statements of activities, and cash flows.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

The COVID-19 outbreak in 2020 (see Note 10) has caused business disruption in a variety of industries, markets and geographic regions, which has resulted in considerable uncertainty as to the financial impact and duration, which cannot be reasonably estimated at this time. Our opinion is not modified with respect to this matter.

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of A Precious Child, Inc. (the "Organization") is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") and have been consistently applied in the preparation of financial statements.

Nature of Activities

The Organization is a not-for-profit 501(c)(3) organization, incorporated under the laws of Colorado, for the purpose of providing assistance to children and families facing difficult life challenges such as abuse and neglect, crisis situations, and poverty. The Organization focuses on meeting a child's most basic needs such as clothing, shoes, coats, sports equipment, backpacks, and school supplies. The Organization serves clients in Adams, Arapahoe, Broomfield, Boulder, Douglas, Jefferson, Denver, and Weld counties. The Organization's revenue comes primarily from contributions.

The Organization has the following core programs:

- Precious Essentials provides clothing, coats, shoes, toiletries, home goods, and other
 essentials to children and their families struggling with poverty or emergency situations
 through the main resource center and 38 satellite resource centers across the Denver
 Metro area;
- Basics 4 Babies provides basic necessities such as diapers, wipes, and baby gear to families with infants who would otherwise ration these products or go without. The program also provides access to Bright by Three kits as a means of positively impacting early literacy skills, development, health, and safety of the children;
- giveSPORTS provides new and gently-used sports equipment along with support for sports program costs associated with registration, uniforms, camp, and participation fees to children in need, giving them the opportunity to participate in sports;
- Inpiring Minds provides access to STEM-based activities to children visiting A Precious Child's resource center and through educational, take-home STEM kits.
- Fill A Backpack provides backpacks filled with grade-appropriate school supplies to childen in need to maximize their academic potential;
- Precious Gift provides gifts to children who would otherwise go without during monumental times in their life, such as birthdays and the holiday season;

Notes to the Financial Statements

- giveARTS provides support for the arts program costs associated with lessons, participation, fees, instruments and art supplies to children in need, giving them the opportunity to participate in music, dance, theatre, and visual arts;
- Edussentials provides educational support, such as computers, calculators, tutoring and
 incentives to remove barriers to school attendance and improve educational outcomes
 for economically disadvantaged students.

Basis of Presentation

The Organization follows accounting standards set by the Financial Accounting Standards Board, commonly referred to as the "FASB." The FASB sets GAAP which the Organization follows to ensure the financial condition, results of operations, and cash flows are consistently reported. References to GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification, sometimes referred to as the "Codification" or "ASC".

Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are not held for long-term purposes, to be cash and cash equivalents.

The Organization maintains its cash balances in financial institutions, which at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents. As of December 31, 2019, the Organization had approximately \$883,000 in excess of federally insured limits.

Investments

The Organization records investments at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external and internal investment expenses.

Fair Value Measurements

ASC 820, Fair Value Measurements and Disclosures requires the use of a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value for all financial instruments required to be measured at fair value, into three broad levels as described below:

• Level 1 – Quoted market prices in active markets for identical assets and liabilities;

Notes to the Financial Statements

- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar
 assets or liabilities in active markets, quoted prices for identical assets or liabilities in
 inactive markets, or model-derived valuations in which all significant inputs are
 observable or can be derived principally from, or corroborated by, observable market
 data;
- Level 3 Unobservable inputs are used when little or no market data is available.

This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability's measurement within the fair value hierarchy is based on the lowest level of input that is significant to the measurement.

Inventories

Inventories are stated at the estimated fair value derived from published independent sector rates in accordance with the Internal Revenue Service's Publication 561, *Determining the Value of Donated Property*. Inventories include items such as clothes, shoes, coats, sports equipment, backpacks, and school supplies.

Pledges Receivable

Pledges receivable that are expected to be collected in less than one year are reported at net realizable value. Pledges receivable that are expected to be collected in more than one year are initially recorded at their estimated fair values. That fair value is computed using a present value technique applied to anticipated cash flows. Amortization of the resulting discount is recognized as additional contribution revenue. As of December 31, 2019 and 2018, no discount was recorded as the Organization believes it is immaterial.

In years subsequent to initial recording, an allowance for uncollectible amounts is determined based on the relationship with the donor, historical experience, an assessment of the current economic environment, and analysis of subsequent events. As of December 31, 2019 and 2018, management expects that all amounts are fully collectible in the next year; accordingly, there is no allowance for uncollectible pledges.

Property and Equipment

Property and equipment acquired in excess of \$1,000 and with a life expectancy of more than one year are capitalized at cost for purchased fixed assets and at estimated fair value, at the date of receipt, for donated property. Depreciation is provided on the straight-line method based upon the estimated useful life of the assets, which ranges from 5 to 39 years.

Notes to the Financial Statements

Long-Lived Assets

The Organization reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Organization looks primarily to the undiscounted future cash flows in its assessment of whether or not long-lived assets have been impaired. Management is not aware of any indications of impairment and therefore no impairment loss was recorded during the years ended December 31, 2019 or 2018.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donoror grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue and Revenue Recognition

Contributions and Grants

The Organization recognizes contributions, and grants not classified as exchange transactions, when cash, securities or other assets, or an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Contract Revenue

On January 1, 2019, the Company adopted FASB ASC 606, Revenue from Contracts with Customers and all the related amendments (the "new revenue standard") with respect to all contracts. The Company accounts for contract revenue in accordance with the new revenue standard, which requires the Company to recognize contract revenue in a manner which depicts the transfer of goods or services to its customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. The Company adopted the new revenue standard retrospectively and there were no significant adjustments recognized.

Notes to the Financial Statements

The Organization had contract revenue for special events. There was no other significant contract revenue during the years ended December 31, 2019 and 2018.

In-Kind Contributions

In-kind contributions are reflected as contributions at their estimated fair value at date of donation and are reported as unrestricted support. These amounts have been reported as both in-kind gifts revenue and included as program costs to properly reflect the total cost to each particular program. The Organization recognizes the fair value of contributed services received if such services, a) create or enhance nonfinancial assets, or b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not contributed.

Special Events

The Organization holds special events such as the annual gala, golf and bowling tournaments and a luncheon throughout the year as fundraising events for the Organization. The gross revenues and expenses, including direct benefits to donors, from these events are presented in the statements of activities. Revenues are recognized when the donations are received.

For the year ended December 31, 2019 and 2018, a portion of event registration and sponsorship revenue was recognized at a point in time, when the event took place. Meals and entertainment were the only performance obligations of more than nominal value for these contracts. Event registration and sponsorship fees received prior to the event taking place were recognized as deferred revenue and will be recognized in future periods when the event occurs.

Advertising

Advertising costs are expensed when incurred totaling \$65,183 and \$65,376, respectively, during 2019 and 2018.

Functional Allocation of Expenses

The costs of conducting the various programs and supporting activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail expenses by function and reports certain categories of expenses that are attributed to more than one program or supporting function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, and rent and utilities which have been allocated on a square footage basis, as well as salaries and related expenses and staff benefits which are allocated on the basis of estimates of time and effort.

Notes to the Financial Statements

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization other than a private foundation under Section 509(a)(1). However, income from activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. The Organization had no unrelated business income during the years ended December 31, 2019 and 2018.

The Organization believes that it has conducted its operations in accordance with, and has properly maintained, its tax-exempt status, and that it has taken no material uncertain tax positions that qualify for recognition or disclosure in the financial statements. The Organization is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2017.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates and such differences could be material.

Reclassifications

Certain amounts for the year ended December 31, 2018 have been reclassified to be consistent and comparable with the presentation of December 31, 2019 information. There is no change in the net assets as of December 31, 2018 as a result of these reclassifications.

Recently Issued Accounting Pronouncements

In February of 2016, the FASB issued ASU 2016-02, *Topic 842, Leases*. The purpose of this ASU is to establish the principle to report transparent and economically neutral information about the assets and liabilities that arise from leases. The new guidance is effective for public business entities with fiscal years beginning after December 15, 2018. For all other organizations the new guidance is effective for fiscal years beginning after December 15, 2020 and interim periods with fiscal years beginning after December 15, 2021. The Organization is currently evaluating the impact of adoption of this standard on its financial statements.

Recently Adopted Accounting Pronouncements

In May 2014, FASB issued ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606). This ASU will supersede most current revenue recognition guidance, including industry-specific guidance. This ASU establishes a new contract and control-based revenue recognition model, changes the basis for deciding when revenue is recognized over time or at a point in time, and expands disclosures about revenue. ASU 2014-09 will be effective for the Organization's fiscal

Notes to the Financial Statements

year beginning after December 15, 2018. Management has adopted ASU 2014-09 as of January 1, 2019, which has been applied retrospectively to all periods presented and the adoption of this standard did not have a material impact on our financial statements.

In June 2018, FASB issued ASU No. 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This ASU assists entities in evaluating whether transactions should be accounted for as contributions or as exchange transactions and determining whether a contribution is conditional. The ASU has been applied retrospectively to all periods presented. Management has adopted ASU 2018-08 as of January 1, 2019, which has been applied retrospectively to all periods presented and the adoption of this standard did not have a material impact on our financial statements.

2. LIQUIDITY AND AVAILABILITY OF FUNDS

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the date of the statement of financial position comprise the following:

Cash and cash equivalents	\$ 1,271,531
Pledges receivable, without donor restrictions	43,859
Total financial assets available for use for general expenditure over the next year	\$ 1,315,390

As part of the Organization's liquidity management plans, cash and cash equivalents, short-term investments, and cash flows from operations are expected to continue to be sufficient to fund the Organization's ongoing operating activities. Additionally, as further described in Note 10, the COVID-19 outbreak, adds uncertainty as to the impact on the Organization's future funding.

7. LEASE OBLIGATIONS

The Organization leased office space under an operating lease through May 2018. During 2018, the Organization purchased a building and no longer needed the leased space. The lease obligation was set to expire in 2021 and the landlord released the Organization of future remaining lease obligations. During the year ended December 31, 2018, the Organization paid \$99,708 on this lease. The Organization leases copiers and future lease payments on the copiers are de minimis.

8. CONCENTRATIONS

The Organization received 16% of its support from one donor during the year ended December 31, 2018. This donor accounted for 81% of outstanding pledges receivable as of December 31, 2018. During the year ended December 31, 2019, no donors comprised more than 10% of contribution revenue. However, two donors accounted for 65% of pledges receivable as of December 31, 2019.

9. RETIREMENT PLAN

The Organization sponsors a retirement plan under Internal Revenue Code Section 401(a). Employees may contribute amounts to the Plan based on the limits established by the IRS. The Organization makes a contribution to the Plan of 100% of the first 2% of eligible compensation deferred by the employee. For the years ended December 31, 2019 and 2018, the Organization contributed \$7,551 and \$5,440 to the retirement plan, respectively.

Notes to the Financial Statements

10. SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through April 27, 2020, which is the date these financial statements were available to be issued. As a result of the spread of the COVID-19, public events have been limited and economic uncertainties have risen which could have a negative financial impact on donations, including the postponement of the Organization's annual gala and golf tournament and the cancelation of the 10th Annual Heroes of A Precious Child North Metro Luncheon. Additionally, as a result of the economic stimulus efforts by the U.S. Government related to the COVID-19 outbreak, the Organization received funding for a Paycheck Protection Program loan through the Small Business Association totaling \$245,100. This loan may be forgiven if loan funds are used for approved expenses and the Organization maintains its workforce; however, the benefit to the Organization at the date these financial statements were available to be issued is unknown. Any portion of the loan which is not forgiven will be payable over a term of two years at an annual rate of 1.0%. There are no other subsequent events that require additional disclosure in these financial statements.
